MEMORANDUM FOR THE RECORD

FROM: Bruce L. Solie
Chief, Security Analysis Group

SUBJECT: AYERS, Bradley
#366 085

1. This memorandum identifies those Office of Security files which were reviewed by House Select Committee on Assassinations (HSCA) staff members in conjunction with the HSCA's investigation into the deaths of President John F. Kennedy and Dr. Martin Luther King, Jr.

2. Under procedures established with the HSCA, certain items of information were not reviewed by HSCA staff members. These items were placed in envelopes, sealed, appropriately identified, and put back into the security file prior to HSCA review. Office of Security personnel reviewing these files should maintain the integrity of each envelope below so that interested parties may know what was and was not reviewed by HSCA staff members.

3. In some instances, the above files contain material marked in the lower right-hand corner with a green circular dot. This mark should alert Office of Security personnel to the fact that this material was located and placed in the file at the time of the HSCA review and was seen by an HSCA staffer(s). This material should not be removed from the file.

4. Attached to this memorandum is a review sheet which identifies the name of the HSCA reviewer(s) and the date of his review.

5. Questions regarding the above procedure and/or the HSCA's review should be directed to the Security Analysis Group.
